

Is sustainability on the ballot in November?

October 11, 2016

6:30PM - 8:00PM

Herrick District Library

300 South River Ave., Holland, MI

Join us as we learn how to support sustainability legislation during the November 8 election. We'll discuss statewide recycling goals and solid waste management, how the state budget impacts the community, human health, and the environment, and the future of Michigan energy policy. Speakers include: Sean Hammond, Deputy Policy Director at Michigan Environmental Council; Courtney Bourgojn, State Budget Education Organizer at Sierra Club; and Liesl Clark, Principal at 5 Lakes Energy.
